Animal Characters in Film

A large amount of the speech, the dialogue in the film is between the animals. The actors were chosen because their voices reflect the personality of the animal.

Here are some of the characters from the film. Can you remember how their voices sounded? What can you tell about the characters from their voices? Write your thoughts and descriptions in the speech bubbles.

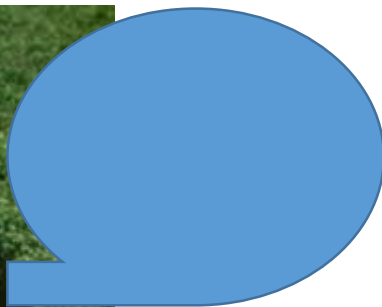

Babe

Ma

Fly

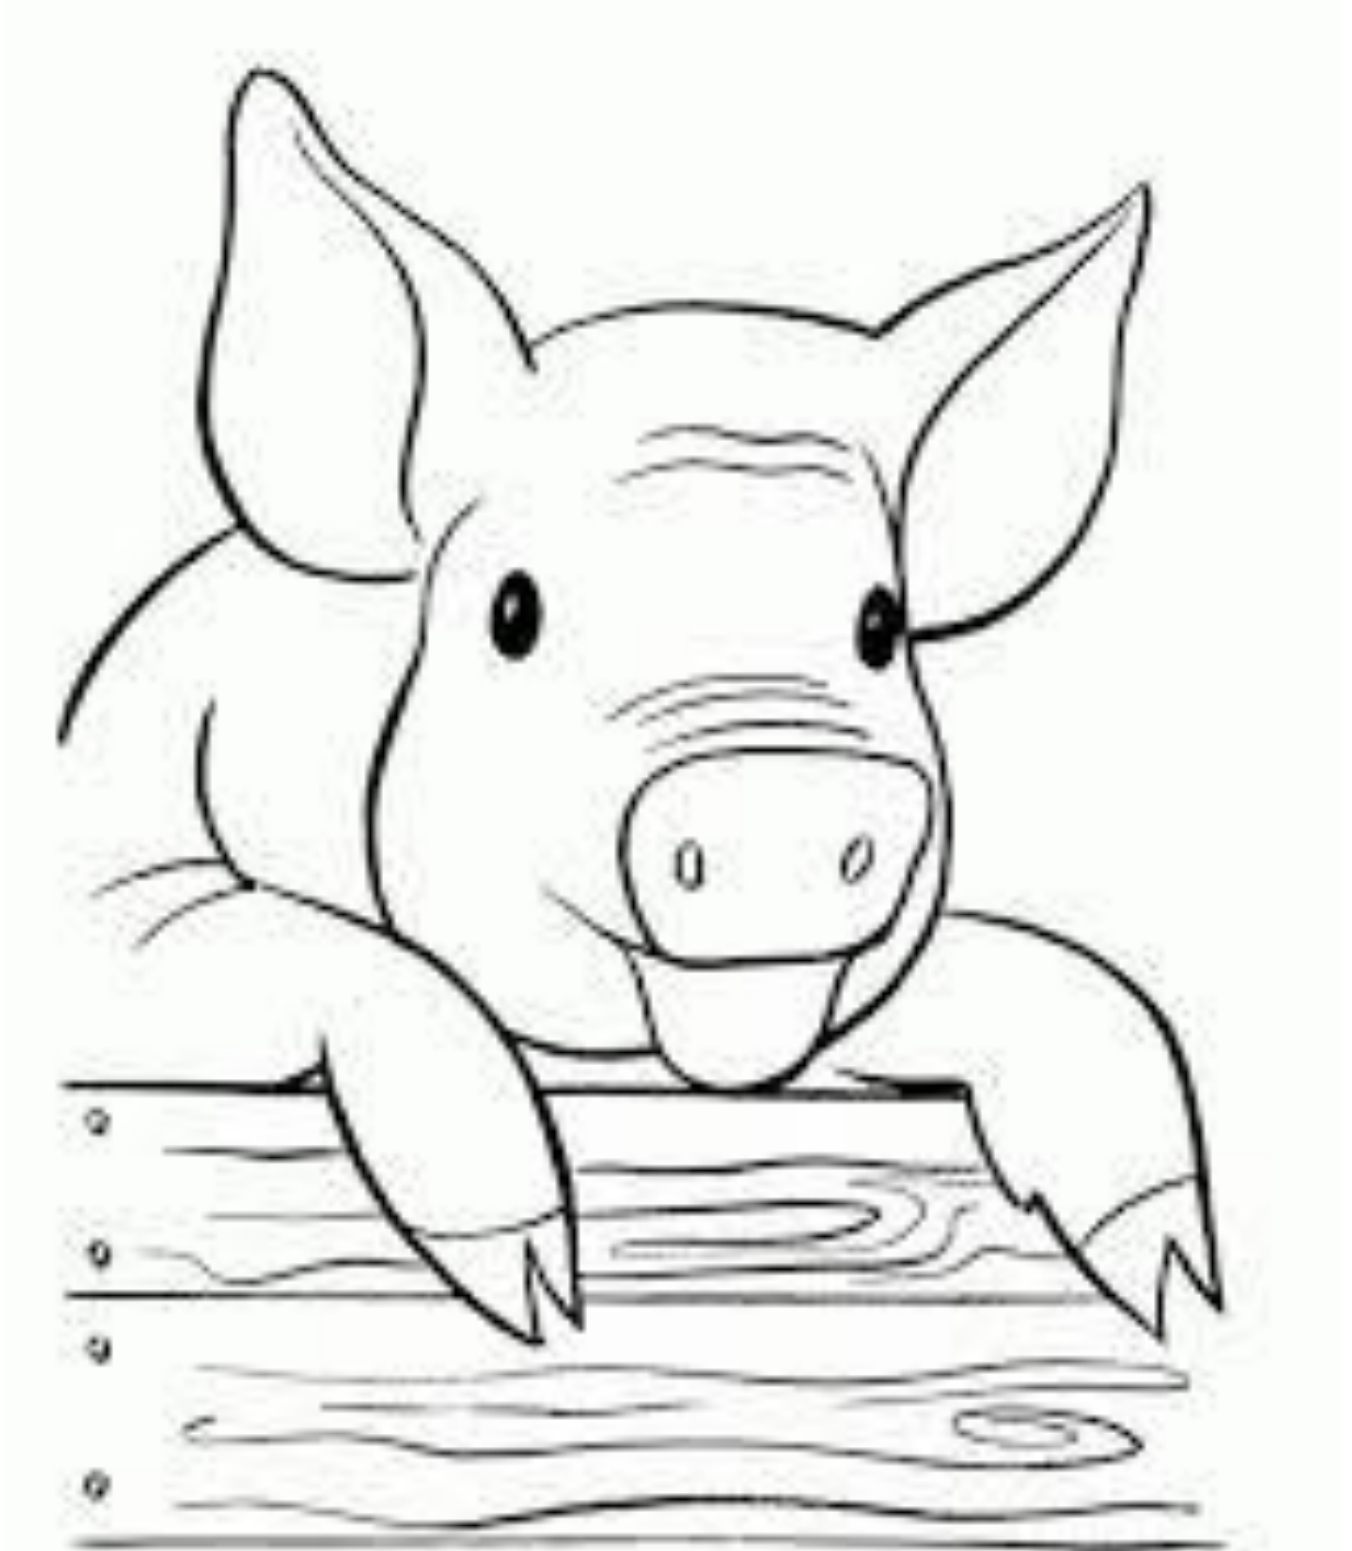

Mr Hoggett

Why not have a go at the voices yourself? Which is your favourite?

ON THE FARM

Imagine that you are a farm animal.

What sort of animal are you?

Do you have a name?

Where do you live?

Now imagine that you can talk to other animals. Who would you go and talk to?

Write or draw about your adventures as an animal below:

A large, empty light gray rectangular area intended for students to write or draw about their adventures as an animal. The area is completely blank and occupies most of the page below the instruction box.
